

Maria's Latest Update - Piddinghoe

From your *Member of Parliament*

As your local Member of Parliament, I receive a large number of letters and emails from residents in Piddinghoe on a whole range of issues. One issue that regularly fills my inbox is congestion on the current road layout around Piddinghoe, particularly in terms of the impact of traffic on all routes out of Newhaven, including on the C7, and I am working hard to bring about improvements.

This includes a bid that has been put to the Government by East Sussex County Council, which would aim to look closely at the one way system around Newhaven, and how this can be improved both for those in Newhaven and those in the villages that surround it, including Piddinghoe.

News on this is expected in the spring, and I shall be sure to update residents accordingly.
